

2010 ENERGY STAR® Product Rebate Application

Waseca Utilities

508 South State Street, Waseca, MN 56093-3033 Open Monday - Friday 8:00 a.m. to 4:30 p.m. • Phone (507) 835-9718

INSTRUCTIONS

- 1. Page 1 - Applicant to fully complete the customer information section including the customer signature. For recycling rebate, signature of recycler is required.
2. Page 2 & 3 - Fill in the specific CFL and/or appliance information requested.
3. FOR ALL REBATES - Customer must include a final original sales receipt/invoice, which must have on it the date of sale (must be between 1-1-10 and 12-31-10), manufacturer name, model number and price.
4. Compact Fluorescent Bulbs - In addition to above items 1-3, customer must provide the complete paper packaging with the ENERGY STAR logo.
5. All Appliances - In addition to items 1-3, customer must provide the yellow energy guide sticker with the ENERGY STAR logo or similar documentation.
6. Central Air Conditioners - Invoice must reflect a SEER (seasonal energy efficiency ratio) and an ARI (air conditioning and refrigeration institute) reference number.
7. Page 4 - Terms & Conditions - Please take a moment to read before submitting application.
8. Rebate Credit - The approved rebate amount will be applied to the customer's electric account as a credit.
9. Submit Application and Supporting Documentation - By mail or in person: Waseca Utilities - City Hall / 508 State Street S. / Waseca, MN 56093-3033 or drop off at a utility payment box: drive-thru on north side of City Hall, front lobby of City Hall or at Hy-Vee customer service area.

Please contact Waseca Utilities for rebate information on residential air-source and ground-source heat pump systems.

### TERMS AND CONDITIONS

All information for the requested rebate as well as signatures from customer and retailer (if requesting recycling rebate) must be completed. Only complete applications will be processed. Customers must apply for rebates within three months of the purchase date shown on the receipt/invoice. The rebated equipment must be installed where electric service is provided by the Utility on a retail basis. The Utility reserves the right to conduct random inspections to verify installation of the rebated equipment at the installation address indicated on the first page of this form. Recycled equipment must be in working condition to be eligible for the recycling rebate. Due to limited funding, this rebate offer can be withdrawn at anytime without notice, and is available on a first-come, first-served basis. After satisfactory review of the rebate form and other required documentation, an account credit will be issued to the customer. Please allow 60 days from the receipt of this form for the delivery of the rebate. The Utility does not guarantee that the implementation of energy-efficiency measures or use of the equipment purchased and installed pursuant to this program will result in energy or cost savings. The Utility does not endorse any particular vendor, manufacturer, or product, and makes no warranties, expressed or implied, with respect to any equipment purchased or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall the Utility be liable for any incidental or consequential damages.
