EQUIPMENT BILLABLE RATES	
Equipment may be made available for rental only upon approval of the City	•
Engineer, Director of Utilities, or their representative and at the rates hereby	
designated. Rentals are made at the convenience of the City and for a	
minimum of one hour, and when equipment is not locally available. A City	
employee must operate all equipment when rented as determined by the City.	
Employee billable rates will be determined by the Finance Director. Other	
equipment rates may be based on FEMA rates or MnDOT rates and formulas.
